

Spanish Springs High School

Attendance Policy

- Call-in for attendance has a 24/7 attendance line. The number is 424-7107. Parent or guardian must call in within 3 days.
- Parent or guardian are required to call or send an absence note within 3 day of the absence. After the third day the absence counts count against the 90% attendance requirement and will affect the students credit for passing class.
- If a student has 5 or more absences that has not been cleared, the student could lose credit for that class.
